

FREDERICK COUNTY HOMEMAKERS' CREED

I believe in my home as a place where love, faith, trust and devotion are lived each day and where pleasures and responsibilities are graciously and fully shared. I believe in working together to develop high ideals and to build character worthy of citizenship.

I believe in my home as a place where with the Divine Guidance my family will find peace and contentment with strength and courage for the problems of the day; a place of friendliness and hospitality, rich in abundant living.

I believe as a homemaker I have a responsibility to be alert and diligent, passing on to others in my community any skills or knowledge acquired in my profession. I believe I also have a responsibility to promote good will and world brotherhood; to understand the background and problems of other nations, that peace may prevail upon the earth.

Letter from the Past President

It is so hard for me to believe that two years have passed so quickly but they have. It concerned me that we had two Spring meetings, two September Annual Meetings and two Holiday Activities and all the lesson training programs to plan for when I began two years ago. However, I am so thankful and appreciative of the wonderful programs, Spring meetings, Annual Meetings and Holiday Activities that we have had. My deepest appreciation to all those clubs and their members who made these activities a huge success. To all those who contacted people for our programs you did a great job and thank you so very much for all your help. And to all the Homemakers, thank you very much for all your support. I truly appreciated it. A big thank you to the Executive Committee and the Board of Directors for their support for the last two years.

Elaine Childs, Past President

Letter from the President

After being your VP for the last 4 years, I am looking forward to becoming your President. I know that this organization has accomplished so much and will continue to do good things in the years ahead. I have been thinking about what we can do and what I need your help with. First, we need to have programs that will be helpful to us all. Second, as I did with the Maryland Quilts, I would like to preserve our Frederick County Quilts history in a DVD. Next, we should develop a program for volunteering that will make the Frederick County Homemakers recognized by our community as a group who not only wants to help but does help. It would also be wonderful to help the younger working women of Frederick County to be involved with our organization. Lastly, we need to get involved in State Activities to help educate all Families and Communities. We also might consider a County FCE/Homemaker newsletter. I hope you will enjoy the programs that we have scheduled for this year and that we will have a lot of fun this year.
